LET'S MOTOR! MEET MILWAUKEE DOWNTOWN'S NEW SEARCH ENGINE

Milwaukee Downtown's Traveling Information Kiosk (TIK) has shifted gears. This summer, information seekers can step inside Milwaukee Downtown's new search engine, which debuted at the end of June.

The MOTOR (Milwaukee's Own Traveling Outdoor Resource) is a tiny house powering ideas on what to do, where to stay and what to eat. It's the first application of its kind, built by Oak Creek, Wis.-based Utopian Villas.

Staffed by Public Service Ambassadors, The MOTOR will be the go-to resource for newcomers and out-of-town guests, providing an interactive, consumer-friendly experience on all aspects of downtown. The MOTOR will tour the festival and concert circuit throughout downtown Milwaukee and outlying communities. Plus, its new climate-controlled cabin will now make downtown's amenity offerings tangible in winter--or even after dark with its cutting-edge lighting technology.

You can visit The MOTOR at Bastille Days, July 12-15, in Cathedral Square Park. To schedule The MOTOR at an upcoming event, contact Steve Basting, director of the Public Service Ambassador Program, at sbasting@milwaukee downtown.com.
