I. Introduction

Bank Five Nine committed to establish a loan pool to encourage business development and revitalization in the boundary of BID #21 in downtown Milwaukee. The loan proceeds will be utilized to fund commercial projects ranging from assisting new businesses with startup costs, existing businesses with renovation or expansion plans, and providing a capital source for building improvement projects for commercial property owners that in the BID #21 boundary. The loans are intended to carry below market rates, typically fixed at 1.00% with favorable terms. Loan amounts shall not exceed 20% of eligible project costs with a maximum of \$25,000.

The program is designed to encourage new investment in commercial and mixed-use projects by property owners and/ or tenants.

II. Program Description

The Business Development Loan Pool (BDLP) is a pool of money made available by Bank Five Nine for the purpose of making loans to achieve economic benefits.

Economic benefits are defined as:

- Business development, including the start-up or expansion;
- Business and job retention;
- Redevelopment of blighted land and vacant facilities for mixed-use residential, commercial, or business purpose;
- Modernization and rehabilitation of existing mixed-use residential or commercial properties;
- Support the use of new technologies in growth industries and/or high-tech firms.

In general, lending policies and financing techniques will include, but are not limited to:

- Providing below market interest rates;
- Providing longer term loans than are traditionally available for a particular type of financing;
- Reducing the risk for non-participating commercial lenders by providing subordinate financing.

III. Eligibility Requirements

Eligible BDLP projects must meet the following basic program eligibility requirements:

A. Eligible Areas

Eligible projects must be located in the boundary of BID #21 in the City of Milwaukee. (See Exhibit A for BID #21 boundary).

B. Eligible Applicants

In order to be eligible for the program, an applicant and the proposed project must meet at least the following criteria:

1. The applicant must own or have a legal option to purchase the subject property or have a Lease or an Agreement to Lease equal to, or greater than, the term of the loan. Proof of the length of the Lease or Agreement must be furnished. (A signed, notarized copy of the Lease or Agreement will be considered proof)
2. The applicant must demonstrate to the Participating Partners that there are adequate resources available to complete the project and create economic benefit. This will include proof of a commitment for financing, along with the necessary equity required by the primary lender(s). A current business plan must be submitted as part of the application process.
3. The taxes on the subject property must be up to date prior to the final approval by the BID #21 Economic Development Steering Committee and remain current for the length of the term of the loan.
4. If the proposed loan project is for construction financing, plans and specifications must show the property will be substantially improved, and all reasonably usable space within the structure will be returned to a state of utility through repair or alteration.
5. An applicant is only eligible for the BDLP program when full private financing or credit is not otherwise available on terms and conditions which would permit completion and/or the successful operation or accomplishment of the project to be financed.
6. The applicant and guarantors, if applicable, will have no concurrent interest in any other project receiving assistance through the program, unless specifically approved by Bank Five Nine.
7. The applicant and guarantors, if applicable, must have a satisfactory credit history.

C. Eligible Loan Activities

1. Fixed asset loans for the acquisition and/or improvement of land, buildings, and equipment, including new construction or renovation of existing facilities, demolition and site preparation and environmental or safety compliance.

D. Ineligible Loan Activities

1. Loans for the purpose of investing in interest bearing accounts, certificates of deposits, or other investments not related to job creation/retention.
2. Loans which would create a potential conflict of interest.
3. Loans for the purpose of speculative activities.
4. Loans for the purpose of purchase or finance equity in private businesses.
5. Loans for the purpose of subsidizing interest payments on existing loans.
6. Loans for the purpose of refinancing loans made by other lenders.
7. Loans for the purpose of payment of taxes.
8. Loans for projects completed prior to BDLP program approval.

IV. Loan Review Criteria

In general, Bank Five Nine and the BID #21 Economic Development Steering Committee will consider the following priorities and conditions when reviewing an application for financing:

- A. Priority to businesses and developers looking to invest in the BID #21 boundary that furthers the planning goals and objectives to make the District a pedestrian oriented, mixed-use neighborhood with vibrant commercial activities.
- B. Priority based on job retention or new job creation through capitalization of start-ups, business expansion, or retention of businesses.
- C. Priority to business which will attract larger numbers of people to BID #21.
- D. Priority to businesses looking to locate in vacant properties in the BID #21 boundary.
- E. Priority to businesses and property owners targeting improvements of first floor retail/ commercial locations; however upper floor commercial improvements may also be considered in applicable situations.
- F. Priority based on security and repayment strength.

V. Loan Terms

It is the goal of the program to remain as flexible as possible in working with the individual needs of applicants. Therefore, the minimum/maximum loan amount, interest rate, term, and collateral will be negotiated, on a case by case basis, with the Participating Partners. Loan amounts shall not exceed 20% of eligible project costs with a maximum of up to \$25,000, subject to the availability of funds in the BDLP and the determined project need. The interest rates are generally fixed at 1.00%; however, each loan is evaluated separately on collateral, risk, and terms. Exceptions may be made on dollar amounts by Bank Five Nine.

In the determination of collateral requirements, the Participating Partners will consider the merits and potential economic benefits of each application. When appropriate and practical, BDLP financing may be secured by liens or assignments of rights in assets as follows:

- A. In order to encourage financial participation in a direct fixed asset loan project by other lenders and investors, the term of the BDLP program may be for a longer period than that of the other lender(s). The lien position of the BDLP loan may be subordinate to pre-existing or concurrent debt, and made inferior to the lien, or liens, securing other loans made in connection with the project.
- B. In projects involving direct working capital loans, the BDLP program will normally obtain collateral such as liens on inventories, receivables, fixed assets and/or other available assets of borrowers. Such liens may be subordinate only to existing liens of record and other loans involved in the project.
- C. In projects involving fixed asset loans, the BDLP program normally will obtain collateral on the asset(s) to be financed as well as other assets of the company, as appropriate.
- D. In projects involving guaranteed loans in the revolving phase, the lending institution ordinarily will be required to maintain a collateral position, to which the BDLP loan is subrogated, in the assets of the borrower and/or principals of the borrower such as by taking liens on inventories, receivables, fixed assets, and/or other available assets of borrowers.
- E. In addition to the above types of security, the BDLP program may also require security in the form of assignments of patents and licenses, leases or stock certificates, and such other additional security as the grantee determines is necessary exposure.
- F. The BDLP program should ensure that the borrower obtains adequate hazard and other forms of insurance, as appropriate. The BDLP program also will obtain a lender's loss payable endorsement on that insurance.
- G. BDLP loan requests submitted by closely held corporations, partnerships, or proprietorships dependent for their continuing success on certain individuals will ordinarily be expected to provide and assign to the BDLP life insurance on these key persons. Personal guarantees will be required from principal owners.

VI. Application Process

- A. An application is to be completed by the applicant and submitted to the Milwaukee Downtown, BID #21 Economic Development Director. The preliminary application will be reviewed for completeness and eligibility.
- B. Completed and eligible applications will be reviewed and action will be taken by the BID #21 Economic Development Steering Committee, after receiving a recommendation from BID #21 Staff and Bank Five Nine. Following action by the BID #21 Economic Development Steering Committee, the application will be forwarded for final review and consideration by Bank Five Nine.
- C. The application will be reviewed and approved or denied by BID #21 Economic Development Steering Committee, subject to the requirement that any application shall be approved by a majority vote and approved by Bank Five Nine. Terms and conditions of an approved project will be established as part of the final loan approval process with Bank Five Nine.
- D. The BDLP credit underwriting, loan processing and servicing will be handled by Bank Five Nine.
