

# THE HEROES PROJECT

Downtown salutes those who *MKE* a difference.

The Heroes Project salutes those who MKE a difference. To engage with our community virtually, we've released a series of coloring pages designed by local artist and MacArthur Square muralist Ken Brown. The new mural, titled "The Hero in You," will be installed this summer and celebrate our community's frontline heroes. Parents are encouraged to share their children's finished coloring pages using **#MKEaDifference** on social media for a chance to win a downtown prize package. More details are available at [www.milwaukeedowntown.com/art](http://www.milwaukeedowntown.com/art).
